

# The Texa\$ Plan

[www.icameherefromindiana.weebly.com](http://www.icameherefromindiana.weebly.com)

More people come to the United States each year than are born here.  
More people come to Texas each year than are born here. Howdy!

- Your money is probably no good here. You'll need to get a job. We have plenty.
- We speak English. You can learn it.
- Watch out for snakes

# Americans

- This year we have 14% more people than last year. We'll make 14% more money. We still have plenty of elbow room, ceptin' Round Rock.
- Texas is different from wherever you came from. We like it that way. We hope you like it that way too.
- If you're a carpetbagger or a flimflam man, it might not work out as well as you think.

- We have no income taxes in Texas. Get as much income as you like. Get a new hat. Buy some cattle.

# Immigrants

- All immigrants will be registered, fingerprinted, micro-chipped, and issued 1000 Texa\$ Buck\$. This is a hand up, not a handout.
- Also register your guns, if you got 'em.
- Learn to drive a car, if you don't already know. Get a license if you're old enough. In Texas, a car is generally a good thing to have. If you see a car with a turn signal on in Texas, you'll know it came that way.
- If you're good with a football, baseball, soccer ball, hockey puck, or like that, let us know. You'll be processed separately.

# Immigrants

- Texa\$ Buck\$ may be spent only in Texas, for anything you need to tide you over until you get a job. Value is on parity with One United States Dollar.
- This is a one time only issue. You'll eventually get a job, and get paid in regular US Dollars. Those are good anywhere in the world.
- We have lots of jobs, and need lots more people. Worst comes to worst, you can always work in the oil patch. Lefty loosy, righty tighty.
- Until you're a full citizen, whenever that happens, you'll not be subject to US Labor Laws, minimum age, minimum wage, hours of work, et cetera. You'll be getting valuable experience, and when you learn English and get to be a US citizen, you'll see the value.
- BONUS - If you can speak English, you can vote. Your vote will count for 3/5 of a regular vote.

# Immigrants

- Temporary housing is available overnight at no charge in any Federal Building in Texas between hours of 5:00pm and 8:00am, when they are generally unoccupied. You'll be expected to behave yourself.
- A Texas Ranger will be in the building to keep order at night. Maybe you could be a deputy.
- There are bathrooms and limited cooking facilities. There's usually a microwave and a few coffee pots, minimally. If there's a cafeteria, you're welcome to use it, but clean up before 8:00am
- During the daytime, go look for a job, or educate yourself.
